Subject: Automatic reply: DOI Gold King Mine Waste Spill Response Activities (Potentially Reimbursable)

I've been deployed to the Gold King Mine Release in Duragno, Colorado and expecting to return on 10/9.

I may not be able to respond to emails on other matters until my return.

For quicker response on more urgent matters upon my return, please leave me a voice mail at 617.680.5466.

Please contact my section chief, Ted Bazeas at bazeas.ted@epa.gov for more urgent matters.

For hazardous material spills please call the NRC at 800.424.8802
